## Sweet Shades Endless Shine

Candy Gel Professional presents a vibrant collection of high-quality nail polish designed to bring color, shine, and creativity to every manicure. Our range features a variety of rich, trendy shades that deliver smooth application, brilliant color payoff, and a glossy, salon like finish.

Developed for both salon professionals and nail enthusiasts, Candy Gel nail polishes combine long-lasting wear, fast-drying formulas, and easy application, making them perfect for everyday manicures and creative nail looks.

With carefully selected pigments and a smooth formula, each shade glides effortlessly onto the nail, providing beautiful coverage, lasting shine, and flawless results.

Discover Candy Gel and transform every manicure into a statement of color, shine, and style sweet shades, endless shine.

# BASE COAT 15 ML

The Base Coat is flexible and easy to remove. It dissolves in acetone while protecting the natural nail and ensuring a smooth nail polish application.

## Product Features

- Consistency: Light thickness
- Color: transparent
- Type of nail plate: hard in good condition
- Use: before Nail Polish application

## Advantages

- Improves nail polish adhesion for longer wear
- Protects the natural nail from staining
- Smooths the nail surface for even polish application

## Application

1. Clean the natural nail plate and remove dust.
2. Apply a thin layer of Base Coat to the natural nail plate and allow it to air dry.

# TOP COAT 15 ML

An ultra-shiny finishing top coat for dazzling brilliance. With a guaranteed shine for up to 4 weeks.

## Product Features

- Consistency: Light thickness
- Color: transparent
- Use: After Nail Polish application

## Advantages

- Provides a glossy, high-shine finish
- Protects the manicure from chipping and scratches
- Extends the wear of nail polish

## Application

1. Apply after the nail polish color has completely dried
2. Apply one thin, even layer over the entire nail surface and let it dry naturally to achieve a glossy finish

## Removal
